Project No: TUF - 006	Project Title: FY 2021 Curb/Gutter Enhancement Program - Bryan St. from Jefferson St. to Grand St.
---------------------------------	--

Description
This project will prep, repair, replace and add curb and gutter along both sides of Bryan Street from Jefferson Street to Grand Street.

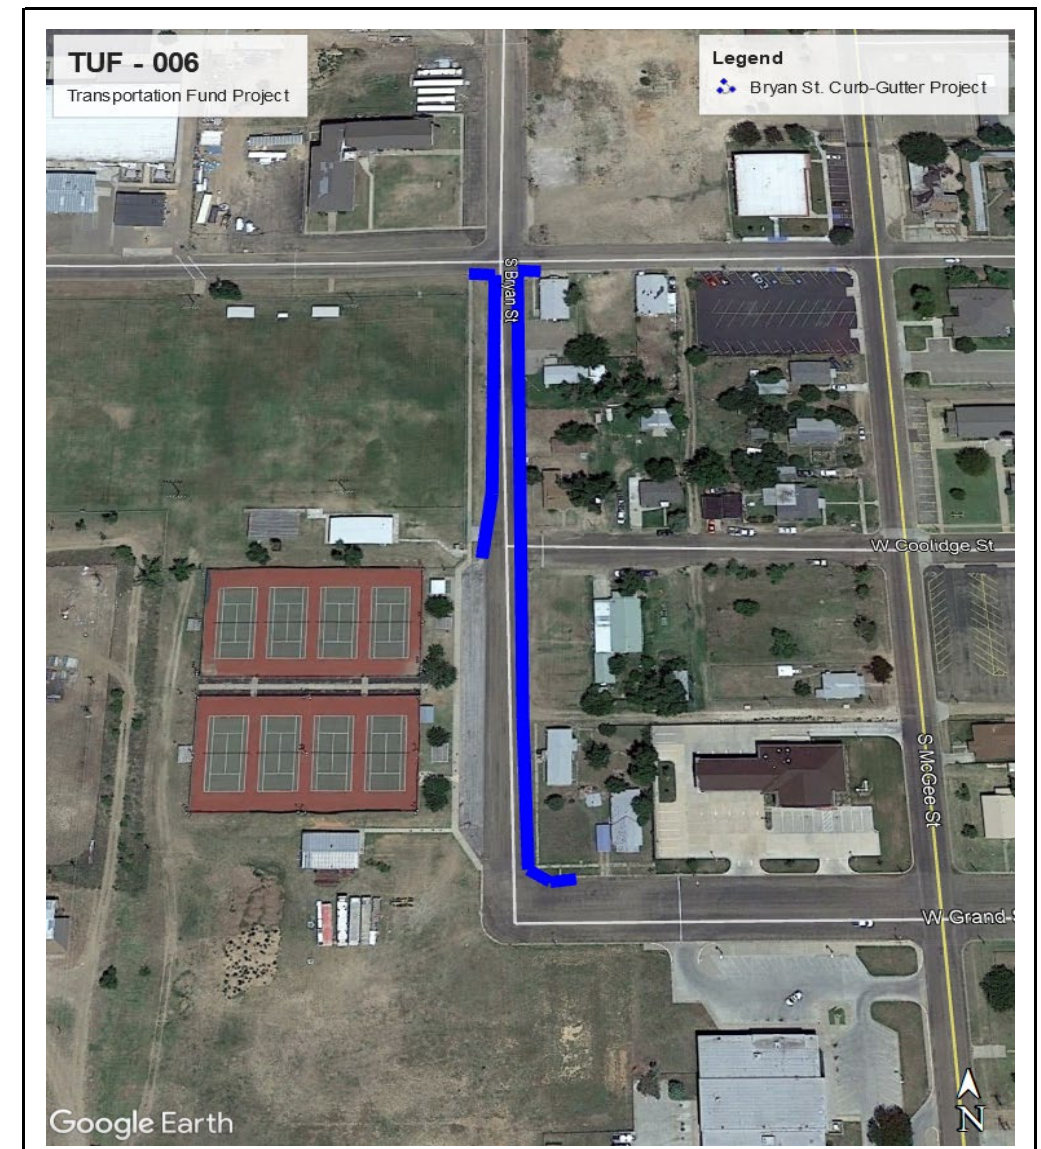

Justification
The "Boomtown 2040" Comprehensive Plan Chapter 3, Strategic Action Priority #3, identifies the ongoing pro-active preventative maintenance of streets and sidewalks. In this area, Bryan Street does not have complete curbs and gutters and deteriorated curbs and gutters. Curbs/Gutters reduce erosion, control storm water and improve street longevity.
