## Requirements

- Set location of the roll-off will be at the driver's discretion.
- Roll-offs may not be located on driveways or alleys.
- No liquids/chemicals, batteries, concrete, cross ties / railroad ties or large amounts of dirt may be disposed of in the roll-off.
- Tires, tires with wheels and any metal shall be loaded in the front of the roll-off for separation.
- Tree limbs must be placed in the back of the roll-off for separation.
- No items can protrude over the top of the roll off. If items are protruding, the roll-off will not be picked up until the protruding issue has been corrected and associated daily feels will still apply.
- 7,000 lb maximum

## Applicant Signature

I have read the requirements above and understand that failure to comply with these requirements will result in the assessment of the Non-compliance fee. I further agree to pay for all charges incurred and understand that failure to pay could result in legal action against me and if I am a contractor, I understand my registration to work in the City of Borger may be suspended until all charges have been paid.
